INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
St. John's Healing Community Board
Collinsville, Illinois

We have audited the accompanying financial statements of St. John's Healing Community Board (a nonprofit organization), which comprise the statements of financial positions as of December 31, 2015 and 2014, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of St. John's Healing Community Board as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

ST. JOHN'S HEALING COMMUNITY BOARD

Notes to the Financial Statements

December 31, 2015 and 2014

NOTE 1 - SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities:

St. John's Healing Community Board (the Organization) is a not-for profit organization serving individuals challenged by aging or disabilities in the Collinsville & Edwardsville, Illinois and the surrounding communities. The organization operates both in-home and adult daycare programs. The Organization is an outreach ministry of St. John Evangelical United Church of Christ.

Basis of Presentation:

Contributions received are recorded as an increase in unrestricted, temporarily restricted, or permanently restricted support, depending on the existence of nature of any donor restrictions. Accordingly, net assets and the changes therein are classified and reported as follows:

Unrestricted Net Assets

Net assets and pledges not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets

Net assets and pledges subject to donor-imposed stipulations that may be met by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets

Net assets and pledges subject to donor-imposed stipulations requiring that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for specific purposes. The Organization does not have permanently restricted net assets at December 31, 2015 and 2014.

The financial statements include only the operations of the Organization and do not include the operations of any other activities of St. John Evangelical United Church of Christ or Collinsville Area Ministerial Association.

ST. JOHN'S HEALING COMMUNITY BOARD

Notes to the Financial Statements

December 31, 2015 and 2014

NOTE 1 - SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting:

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles of the United States of America.

Cash and Cash Equivalents:

For purposes of the statement of cash flows, the Organization considers all investments with a initial maturities of three months or less to be cash equivalents.

Accounts Receivable:

Accounts receivable are stated at the amounts management expect to collect from balances outstanding at year-end. Based on management's assessment of the credit history with clients having outstanding balances and current relationships with them, it has concluded that realized losses on balances outstanding at year-end will be immaterial.

Fixed Assets:

Fixed assets are recorded at cost or at estimated fair value at the date of gift. Donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. The Organization follows the practice of capitalizing all expenditures for property, equipment and leasehold improvements in excess of \$500. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

Deferred Revenue:

Deferred revenue represents customer receipts related to services that will be provided in the future. The Organization offers discounted rates to those customers who pay in advance. The Organization recognizes revenue when the services are provided.

Advertising:

The Organization expenses advertising costs as they are incurred. Total advertising expenses were \$19,705 and \$24,317 for the years ended December 31, 2015 and 2014, respectively.

Notes to the Financial Statements

December 31, 2015 and 2014

NOTE 1 - SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Concentration

Program service fees derived from the State of Illinois were approximately 25% and 23% of total revenue and support for the years ended December 31, 2015 and 2014, respectively.

Contributions and Contributed Services:

Unconditional promises to give cash and other assets are accrued at estimated fair value at the date each promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction is satisfied, net assets are released and reported as an increase in unrestricted net assets.

The Organization records the value of donated services when there is an objective basis available to measure the donation's value. In addition, many individuals volunteer time and skills to perform a variety of tasks that assist the Organization, but these services do not meet the criteria for recognition as donated services. The Organization received more than 1,000 volunteer hours this fiscal year.

Functional Allocation of Expenses:

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are primarily allocated based on payroll allocations and management estimates.

Tax Status

The Organization is tax-exempt under Section 501(c)(3) of the Internal Revenue Code and, therefore, is exempt from both federal and state income taxes. Accordingly, no provision has been made for income taxes in the accompanying combined financial statements.

NOTE 1 - SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Uncertain Tax Positions

The Organization's 2013 through 2015 tax years are open for examination by federal and state taxing authorities.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of support, revenues and expenses during the reporting period including grant and contract revenues subject to review by applicable funding agencies. Accordingly, actual results could differ from those estimates.

Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through May 25, 2016, the date the financial statements were available to be issued.

NOTE 2 - LINE OF CREDIT

The Organization has entered into a line of credit agreement with First Collinsville Bank that provides for maximum borrowing of \$100,000. The outstanding borrowings on the line of credit at December 31, 2015 and 2014, were \$50,000 and \$0.00, respectively. The line of credit is due on demand, or if no demand, on November 17, 2016 with monthly interest payments. The line of credit accrues interest on outstanding balances at a rate of 5.5% and is personally guaranteed by members of the board of directors.
