## Adult Day Programs

By Stacey Rhodes,  
Adult Day Program Director

Spring is a great time for great new beginnings. We are celebrating new beginnings in our Adult Day programs. First, we welcome three new staff to our family. Linda McFall will be working in our Collinsville program. Karen Latsch and Linda Robertson will be joining our Edwardsville program. New staff bring new ideas, talents, and smiles to our program as we provide the quality of care that our participants and families expect.

Each one of us loves to feel that bounce in our step! Karen Clinton, our new hair stylist, creates that feeling as the participants get their hair shampooed, permed, and styled. Karen makes our participants feel great and look pretty, too! Karen comes to us with many years of experience and seems to be a perfect fit. Karen is available on Wednesday mornings. Please notify Lois Clark or Stacey Rhodes if you are interested in the salon services.

A BIG thank you goes out to **Larry and Cathy Whitehead** for sponsoring Way Cool Balloon artist Michael Geerlof as

entertainment for both our Collinsville and Edwardsville Adult Day Programs. Michael has a unique talent that mesmerizes our participants. He takes a balloon or two and creates a detailed balloon figure within minutes while he is talking and entertaining his audience. Each participant goes home with one of his creations.

Our Cardinals Reminiscence League for Early Memory Loss individuals will meet monthly at our Edwardsville Adult Day program.
